

MARK OF **EXCELLENCE**

Leading with courage, confidence and a hunger to win.

Pioneering innovation

Recognising our out-of-the-box thinkers

This award category is for people and teams who consciously contribute to our success through:

- ✓ Challenging the status quo to confidently develop innovative solutions to address current and anticipated business challenges, or identify solutions that promote sustainability.
- ✓ Demonstrating capabilities and behaviours that positively contribute to our platform business goals and aspirations.
- ✓ Contributing toward leading edge, impactful, winning ideas that translate into commercial value and set us apart from our competition.
- ✓ Introducing new ways of working to improve both our client and employee experience, aligned to our Human First philosophy.
- ✓ Demonstrating adaptability, growth and the courage to experiment and 'fail fast' whilst persevering to achieve the ultimate in possibilities.
